To get drunk with

Welcome!

I want *this* alcohol.

...

To bring an empty bottle, I mean.

...How unusual.

Is it really?

Please, try some others.

You may like them.

No... I'm just after the same one.

I'll fetch the special stuff.

Please, try them.

...

I don't really...

I'll try a few.

If you insist. You **are** the pro...

Well...

So much for "trying".

Doesn't help that I had so much to recommend.

Couldn't make your mind up...

It's for a gift...

I'd just assumed it was for yourself.

As you can see...

...I'm not that big a drinker.

...But she...

She drinks like...

...some villain.

...surprising each other.

We have fun with...

How about bringing her here?

...to get familiar with them.

Like this.

...the things I hand her...

She touches...

She'll do it for a while...

...

I think that's...

Then she gave me such a lovely suit...

On a whim...

...I gave her some orange heels.

Sounds like you really get along.

...to make sure she got the right size.

She even took out my other suit...

Heh-heh!

Stuff like getting drunk off a taste-test?

Goes to show I'm right, doesn't it?

Each has a story to tell.

My drinks should make for a similarly wonderful gift.

...I'd like to get drunk with her.

If I could...

Right.

I want you to send them to Sasha... on Saturday.

...I'll buy these three bottles here.

Throw yourself in as part of the gift.

Wouldn't **now** be a better time?

Small talk with key and keyhole

"Good evening."
"Evening."
"You're still shiny, huh?"
"I was only cut recently..."
"You smell like all kinds of keys. For cars, handcuffs and cigarettes."
"You have a good nose. That's right, I have a question."
"What is it?"
"How is my partner doing?"
"Sleeping with the jewelry on the plate."
"What happened to their role as the key?"
"It's your role now."
"One more thing. Why does she keep this door open?"
"Because you come here."
"...Sorry to trouble you all the time."
"Not at all. Thanks to you we can talk plenty. That's right, I have a question."
"Go ahead."
"How was it outside?"
"It's cold. I can't help but freeze. It's so cold I could almost see my breath."
"That's nice. I'd like that. You bring in smells from the outside also."
"Is that my role too?"
"Now you're getting it. I'd like to hear more."
"I'll see you tomorrow."
"Good night. Sweet dreams."
